

SECTION LEADER INFORMATION & SELECTION PROCEDURES

Section Leaders of the Corner High School Band will serve the band in numerous ways. They will be first and foremost, servant leaders for their sections. Expectations include communicating within the section and to band staff; assisting in tasks pertaining to setup, breakdown, loading, preparation; helping younger students get accustomed to marching band; etc.. Section Leaders are not bosses, and they are not necessarily the strongest players in each section. We are looking for student leaders who are respected, patient, and trusted. We believe leadership is earned, not owed.

Section Leaders will be selected via an audition process that includes the following:

1. Section Leader Application
2. Two teacher recommendations. (see form)
3. An interview with the Band Staff.
4. Student's body of work as perceived by the Staff. (attitude, work ethic, leadership, etc.)
